Sir:

PRELIMINARY AMENDMENT

In order to place the above-identified application in better condition for examination, please amend the application as follows:

IN THE SPECIFICATION

Please substitute the following paragraphs in the specification for corresponding paragraphs previously presented. A copy of the amended specification paragraphs showing current revisions is attached.

The paragraph beginning at page 3, line 13:

As described above, several different methods are being used to clean components of generator stator and rotor. Containing, removing and disposing of the used glass beads and corn cob processes related to collecting and disposing of the contaminated rags after
